Position Summary & Role Purpose

The Cancer Wellness Coordinator (Grade 3 allied health clinician) is responsible for building and overseeing our Cancer wellness programs in the Cabrini Cancer Exercise and Wellness Centre within the framework of the Mission, Values and Vision of Cabrini Health.

The Wellness Coordinator will use their clinical knowledge and experience to build and oversee our cancer wellness programs with the aim to support and enable Cabrini cancer patients to improve their outcomes in terms of psychosocial adjustment, participation in social activities and functional ability.

This Wellness Coordinator will focus on key stakeholder engagement and to grow our Cancer programs through productive and collaborative relationships with the multidisciplinary team, oncologists, and other support services at Cabrini, and with external partners. The Wellness Coordinator will engage with consumers to understand service needs and evaluate existing programs.

The Wellness Coordinator will also provide clinical support to cancer patients through facilitation of Cabrini's mind-body programs, group education, management of our supportive care screening program, and provision of individual patient consultations as required.

through:

Maintenance of ongoing personal professional development / continuing	
education	
Personal application of the Cabrini performance management framework	
Identifying, encouraging and monitoring the continuing development of others	
within a learning culture.	

2. Work Health and Safety

Cabrini is committed to providing facilities and services which minimise the risk of physical and psychosocial harm to our workforce, patients, residents, clients and visitors, so far as is reasonably practicable.

To achieve this, managers are required to implement, in consultation with their employees, the components of Cabrini's work health and safety management systems (the collection of policies, procedures, guidelines, other related documents and resources) to control the hazards that their employees, and any other person exposed to the work they do, may face. The WHS management system enshrines a risk management approach to managing hazards. For any hazards not explicitly covered in the WHS management system, managers are required to assess and control hazards as outlined in the WHS Risk Management Procedure.

Employees are responsible to work in a way that protects their own health and safety and that of others who may be affected by their actions. This includes following the policies and procedures from the WHS management system that apply to their work, any local processes and instructions from their manager regarding how work is to be performed. Employees are responsible to report hazards, incidents and injuries to their manager.

The Cabrini WHS Department facilitate the ongoing development and review of the WHS management system, build the capability of managers to assess and manage wellbeing, hazards, incidents and injuries and provide advice and support in the management of these areas.

The Cabrini Work Health and Safety Responsibilities Procedure defines the responsibilities of employees at all levels of the organisation – Chief Executive; Group Directors; General Managers; Managers; those with specified work health and safety responsibilities; and all other employees. Please refer to the procedure for more details of the responsibilities associated with your role.

3. Safety and Quality

It is the responsibility of all staff at Cabrini to ensure that they provide safe high quality care to our patients, residents and service users. Safe care means accepting individual and shared responsibility as well as compliance with the Cabrini policies and protocols by all staff.

4. Child Safety

Cabrini complies with the Victorian Child Safe Standards, as updated in 2022. All children who come to Cabrini have a right to feel and be safe. Cabrini policies and practices aim to keep children safe from harm. All Cabrini staff must comply with all policies as amended from time to time including the following:

- Child safe organisational framework
- · Child safety code of conduct
- Child safety reporting policy and procedure

Cabrini Mission, Values and Behaviours that Matter

Our mission

WHO WE ARE

We are a Catholic healthcare service inspired by the spirit and vision of Mother Cabrini and the Missionary Sisters of the Sacred Heart of Jesus.

WHAT WE BELIEVE

We are a community of care, reaching out with compassion, integrity, courage and respect to all we serve.

WHAT WE DO

We provide excellence in all of our services and work to identify and meet unmet need.

Our values

Our values form the base of our mission, are built around what we believe and drive how we act. They are drawn from Mother Cabrini's life and reflect her heart, her spirit, her conviction and her approach.

Compassion

Our drive to care is not just a professional duty to provide excellent quality care but is born of a heartfelt compassion for those in need, motivated by God's love for all people.

- We care deeply about each and every person we serve
- We respond willingly and positively to help meet the needs of those around us
- We put people first as we look to provide extra support and care, beyond our professional duties
- We promote a sense of belonging and community.

Integrity

We believe in the power of hope to transform people's lives and remain faithful to the bold healing mission and legacy of Mother Cabrini.

- We remain true to our beliefs at all times our mission and values are non-negotiable
- We are welcoming, hospitable and find comfort and motivation in the context of God's allinclusive love
- We look for the good in each other and recognise each person's contribution as we work together to provide the best possible experience for our patients, residents and their families
- We are honest and reliable, making decisions that are consistent with our mission and taking responsibility for our own actions.

Courage

We have the strength, determination, vision and conviction to continue the work of Mother Cabrini and the Missionary Sisters.

- We care for the whole person spiritually, physically and emotionally creating an environment of hope and healing
- We rise up to challenges and opportunities, meeting them with an open mind and a positive attitude
- We maintain the courage of our convictions and express our values through our actions
- We continually look beyond our current services to help support and engage with those who are marginalised.

Respect

We believe that every person is worthy of the utmost respect and the best possible healthcare. We know that our resources are entrusted to us to use for the benefit of others.

- We uphold the worth and dignity of all people, regardless of gender, race, age, ability and social position and treat them with courtesy, respect, equality and justice
- We respect ourselves, our colleagues and the excellence of the services we deliver
- We identify and respond to emerging healthcare needs in our community
- We manage our resources wisely and actively seek to minimise our impact on the environment.

Behaviours that matter

Our values are displayed in the way in which we behave in every interaction – with each other, with our patients and residents, with their families and carers, and with visitors and other customers.

The behaviours that matter have been identified through consultation with staff. They are the minimum standard expected for all who work at Cabrini (employees, volunteers and accredited staff). They

describe the organisational culture that we think is fundamental to our mission to "provide excellence in all of our services".

Unacceptable behaviours have also been identified and described as follows. These behaviours are inconsistent with our values, have a detrimental effect on others and prevent us from achieving our mission and quality goals. If you experience or witness these behaviours, please speak up. If you are unable to address the issue yourself, advise your manager, another senior member of staff or People and Culture.

We are committed to safety and quality:

Behaviours that matter	Unacceptable behaviours
We put patient/resident safety first	We are careless, impulsive or take unnecessary
	risks that may cause harm to patients/residents
We ask questions to understand the problem	We jump to conclusions and look for someone to
	blame
We admit when we make a mistake and seek	We try to cover up or make excuses for mistakes
a solution	
We look for opportunities to improve our care	We resist or sabotage change
and services	
We speak up when we see behaviour that is	We encourage or participate in poor behaviour
inconsistent with our values	

We are here to provide service:

Behaviours that matter	Unacceptable behaviours
We greet everyone warmly	We are rude or discourteous
We are always kind and caring	We are arrogant or demeaning
We give our full attention to the person	We are distracted, impatient or dismissive
speaking to us	
We communicate openly, sensitively and in	We are dominating, abrupt or sarcastic
a timely manner	

We work together to achieve the best outcome:

Behaviours that matter	Unacceptable behaviours
We are quick to offer help without waiting to	We refuse to help even when it is clearly required
be asked	
We share information readily to promote the	We withhold information or are competitive to the
best care and services	detriment of others

We do as we say we will	We are unreliable or inconsistent
We encourage and support each other	We berate or humiliate others
We give praise for a job well done	We are excessively critical or devalue the
	contributions of others

We exhibit a positive attitude:

Behaviours that matter	Unacceptable behaviours
We approach our day with energy and	We are negative or apathetic
enthusiasm	
We look for the best in people	We are judgemental and put others down
We take pride in our personal appearance	We look dishevelled, dirty or have offensive
	personal odour

We want to build a just and sustainable community:

Behaviours that matter	Unacceptable behaviours
We treat each other fairly	We are hostile or abuse our power
We use our resources responsibly	We are wasteful or extravagant
We consider the environmental impact of all	We are thoughtless or careless
we do
