We are a community of care, reaching out with compassion, integrity, courage and respect to all we serve.

WHAT WE DO

We provide excellence in all of our services and work to identify and meet unmet need.

Our values

Our values form the base of our mission, are built around what we believe and drive how we act. They are drawn from Mother Cabrini's life and reflect her heart, her spirit, her conviction and her approach.

Compassion

Our drive to care is not just a professional duty to provide excellent quality care but is born of a heartfelt compassion for those in need, motivated by God's love for all people.

- We care deeply about each and every person we serve
- We respond willingly and positively to help meet the needs of those around us
- We put people first as we look to provide extra support and care, beyond our professional duties
- We promote a sense of belonging and community.

- We rise up to challenges and opportunities, meeting them with an open mind and a positive attitude
- We maintain the courage of our convictions and express our values through our actions
- We continually look beyond our current services to help support and engage with those who are marginalised.

We believe that every person is worthy of the utmost respect and the best possible healthcare. We know that our resources are entrusted to us to use for the benefit of others.

- We respect ourselves, our colleagues and the excellence of the services we deliver
- We identify and respond to emerging healthcare needs in our community
- We manage our resources wisely and actively seek to minimise our impact on the environment.

Behaviours that matter

Our values are displayed in the way in which we behave in every interaction – with each other, with our patients and residents, with their families and carers, and with visitors and other customers.

The behaviours that matter have been identified through consultation with staff. They are the minimum standard expected for all who work at Cabrini (employees, volunteers and accredited staff). They describe the organisational culture that we think is fundamental to our mission to “provide excellence in all of our services”.
